

Cats Angels Photo Contest

Do you have a cat that you rescued or adopted through a shelter or rescue group? Is there a community or feral cat that you are looking after with a tipped left ear showing it went through a TNVR (Trap-Neuter-Vaccinate-Return to Caregiver) program? Is your cat photogenic or just darn cute? Then your cat should be in our next Cats Angels calendar. Submit your photos for our 15th Cats Angels calendar photo contest. The winning photo will become the cover for the 2025 Cats Angels calendar and the 4 runners-up will be featured inside with their own month. The contest will be judged by photographers from the Island Art Association and your photos can be submitted June 1 through August 15. We are looking for personality pictures. Only horizontal formats will be judged for the contest, but vertical formats will be considered for the collage pages.

Requirements for contest photos:

- Color only
- Landscape (horizontal) format
- Close Up photos are best
- Saved at highest resolution (lower resolution may not be accepted)
